

In the past 12 months Wicksteed have worked with over 600 Parish/Town Councils

“...the new play space has been a tremendous addition and has received overwhelming positive response from the local community. The play equipment stands out from the crowd as the equipment is bright, long lasting and original, with little maintenance requirements”

John Ramsey, Chesterfield Council

“...British designed, built and constructed...”

“...your guys who fitted the kit did a really good job with a quiet efficiency...It is so pleasing to be able to say “Yes, it’s good. British designed, built and constructed!”

Geoffrey Tancred, Stoke Ash & Thwaite PC

“...extremely helpful...”

“Wicksteed representatives were extremely helpful in supporting the design of the park and the installation contractors were excellent in ensuring the park was completed on time, despite some very bad weather.”

Ken Lawrie, Brampton PC

“...a pleasure to work with...”

“It was a pleasure to work with Wicksteed on the refurbishment of Merlin Drive. Residents are thrilled with the finished project and enhanced play facilities delivered. Not only have Wicksteed refurbished the existing equipment...they have installed some new equipment providing improved facilities that benefit”

James Young, Durham CC
