20th June 2025

Dear Mrs Cadman

Re: Ewhurst Cemetery – Additional Access

With reference to your recent enquiry and our subsequent site meeting, we have pleasure submitting our quotation for the works as described below.

Quotation

The works concern creating an additional access point to the right-hand side of the entrance gates, for plant and machinery. We have allowed for an area of 6.0m x 2.0m, which will meet the existing footpath.

The works would include the following items.

- 1) Excavate area to construction depth.
- 2) Cart all arisings to an authorised tip.
- 3) To car park edge, supply and install 2 No. dropper kerbs and 2 No. crossing kerbs to create a flush transition. Kerbs will be laid on a bed and haunch of concrete.
- 4) To grass edges of path, supply and lay 150mm x 50mm concrete edging kerbs on a bed and haunch of concrete.
- 5) To excavated area, supply and place a Geotextile membrane.
- 6) Supply and lay Type 1 granular sub-base to a compacted depth of 150mm.
- 7) Supply and lay AC 20mm Dense bitumen macadam Binder Course to a compacted depth of 50mm.
- 8) Supply and lay AC 10mm Dense bitumen macadam Surface Course to a compacted depth of 30mm.
- 9) Leave site clean and tidy on completion.

Our price for this work is **£4,995.00 plus VAT**

Please read our quotation and attached Terms and Conditions carefully to ensure we have covered all the work required.

We thank you for your enquiry, if you require any further information or clarification please do not hesitate to contact us.

Yours sincerely

O Lambkin
