19<sup>th</sup> August 2025

Dear Mrs Cadman

## **Re: Ewhurst Cemetery – Additional Access (Plastic Grids & Shingle)**

With reference to your recent enquiry and our subsequent site meeting, we have pleasure submitting our quotation for the works as described below.

### **Quotation**

The works concern creating an additional access point to the right-hand side of the entrance gates, for plant and machinery. We have allowed for an area of 6.0m x 2.0m, which will meet the existing footpath.

The works would include the following items.

- 1) Excavate area to construction depth.
- 2) Cart all arisings to an authorised tip.
- 3) To car park edge, supply and install 2 No. dropper kerbs and 2 No. crossing kerbs to create a flush transition. Kerbs will be laid on a bed and haunch of concrete.
- 4) To grass edges of path, supply and lay 100mm x 50mm pressure treated timber edging secured with wooden pegs at 1m intervals.
- 5) To excavated area, supply and place a Geotextile membrane.
- 6) Supply and lay Type 1 granular sub-base to a compacted depth of 150mm.
- 7) Supply and lay GF40 plastic grids on a bedding layer of 2-6mm stone and fill grids with 10mm golden shingle.
- 8) Leave site clean and tidy upon completion.

Our price for this work is **£4,420.00 plus VAT**

**Please read our quotation and attached Terms and Conditions carefully to ensure we have covered all the work required.**

We thank you for your enquiry, if you require any further information or clarification please do not hesitate to contact us.

Yours sincerely

*O Lambkin*
